

WELCOME TO DONALD'S DOWNTOWN 'WALKABOUT'!

This exercise is all about PLACE. We want to know how YOU see downtown Donald—as it is, and how it could improve!

How it works:

There are 5 vantage points identified both on your map ▲ and on the sidewalks with chalk! Your mission: visit 2-3 of these places (be sure to indicate the number referenced above) and answer the questions below! Space is provided on reverse side. We will regroup after 40 minutes!

- 1. What do you like best about this place?**
- 2. List things that you would do to improve this place that could be done right away and wouldn't cost a lot.**
- 3. What changes would you make in the long term that would have the biggest impact?**
