DONALD MONTHLY RECORD

APRIL 2023

TREE CITY USA & ARBOR DAY CELEBRATION

Once again, Donald has earned recognition as a Tree City USA by the Arbor Day Foundation in honor of our commitment to effective urban forest management. Donald achieved this award by meeting the program's four requirements: maintaining a tree board, having a tree care ordinance, dedicating an annual community forestry budget of at least \$2 per capita and hosting an Arbor Day observance and proclamation.

Please join the Planning Commission & Tree Board in celebrating this award and Arbor Day by attending a family-friendly event tentatively planned for the last weekend in April. Please check the City's website and community boards for event updates.

YARD DEBRIS CLEANUP DAY

Mark your calendar for Donald's Annual Yard Debris Cleanup Day! In celebration of Earth Day, the City has partnered with N. Marion Recycling & Disposal to offer a free yard debris cleanup event. This event is for Donald residents & business only—proof of residency or a business license will be required. This event is tentatively scheduled for:

Saturday, April 22, 2023 at the Wastewater Treatment Plant—10501 Donald Rd.

Details are still being worked out, so please check the community boards and City's website at www.DonaldOregon.gov; A Yard Debris Cleanup page is available under the *Community* tab and will be updated as often as even information becomes available.

MARCH 2023 CITY COUNCIL RECAP

At the regularly scheduled March 14th meeting, the Donald City Council discussed and if needed, voted on the following agenda items:

- Presentation: The Donald Beautification Group presented their accomplishments to-date and shared their goals for 2023.
- Consent Agenda: Council voted to 5-0-0 to approve the Consent Agenda items.
- New Business I: Council voted 5-0-0 in favor of moving forward with the pre-application phase of the Transportation & Growth Management Program.
- Communications: Council discussed the Annual Goal Setting meeting and Ethics Training hosted by Donald and put on by the League of Oregon Cities.

The public is always welcome and encouraged to attend public meetings in person at City Hall or via Webex. Meeting information can be found on the website & community boards.

PICKUP AFTER YOUR PETS

The City has recently received several complaints about dog waste being left in streets and on sidewalks, specifically in the Country Oaks Estates area. A responsible pet parent picks up after their pet and disposes of their waste properly. Public Works regularly stocks the two pet waste stations, located in each park, to help encourage pet owners to cleanup after their animals. Animal waste left behind can enter nearby waterways and have a negative impact on the environment. Do your part and pickup after your pet.

PLANNING COMMISSIONERS NEEDED

The City is encouraging community members to make a difference by filling an important role as Planning Commissioner. The Planning Commission's primary functions are to hear and make decisions for the City of Donald regarding Land-Use cases, upholding the Donald Development Code and "branching out" as a Tree Board member. The Planning Commission typically meets the fourth Thursday of the month at 6:45pm, as needed. Applications are available for pickup at City Hall or can be found on the City's website under the *Planning Commission* tab.

Qualifications

- ◆ Be of legal voting age
- ◆ Be a resident of the City and/or
- ◆ Own property within the City and/or

THE EASTER BUNNY

The Easter Bunny's feet go hop, hop, hop,
While his big, pink ears go flop, flop, flop.
He is rushing on his way,
to bring our eggs on Easter Day,
With a hop, flop, hop, flop.

Can you find all 20 eggs hidden in this newsletter? Hint: The eggs are different colors & designs. Answers on back page.

WITHDRAWAL: POLICING LOCAL OPTION LEVY

The Local Option Levy for police services that was published recently in the Woodburn Independent and in the March edition of the Donald Monthly Record has been withdrawn from the May 2023 election. The City will resubmit the ballot title with the Marion County Elections Office for the November 2023 election. In the meantime, the City will seek to continue police services under the existing agreement through a renewed Intergovernmental Agreement with the Marion County Sheriff's Office beginning July 1, 2023.
