EMERGENCY WATER & SEWER PAGER NUMBER

It is critical to call the Emergency Water & Sewer pager number if your sewer alarm sounds or you experience any other water or sewer emergency. This service is included in your monthly utility bill and is available 24/7. It's important to note that this is a pager system and NOT a cell phone. If you do not leave your name, number and address, Public Works will not have adequate information to be able to respond to your call.

Emergency Water & Sewer Pager: 503-301-6479
