# Adopted Budget 2021 - 2022

# Donald Budget Committee

## **Elected Members**

Mayor Rick Olmsted  
President Katie Gonzalez  
Councilor Troy Hellickson  
Councilor Alysha Irvin  
Councilor Jan Olsen  
Councilor Lauren Ostrander  
Councilor Gerry Waller

## **Citizen Members**

Daroll Nicholson (21-22)  
Dawn Saxton (21-22)  
Vacant (21-22)  
Wendy Scharich (22-23)  
Vacant (22-23)  
Toshia Weese (23-24)  
Vacant (23-24)

## **Staff Members**

Heidi Bell, City Manager and Budget Officer  
Alonso Limones, Public Works Director  
Lisa Hassel, Accountant  
Randi Meadors, City Clerk  
Jesus Rios, Public Works Operator

# Budget Message

---

Dear Mayor, City Councilors, Budget Committee Members and Members of our Community:

I am pleased to submit to you for your consideration a proposed budget for fiscal year 2021-2022. The purpose of this budget message is to provide both internal leaders and external stakeholders a detailed picture regarding the state of the City of Donald's finances, as well as guidance for the upcoming fiscal year's needs. Oregon Budget Law states that a local government's budget will balance. Staff is proposing a balanced budget for the Budget Committee's review.

## **City of Donald Mission Statement**

“To promote and improve our quality of life, while enhancing our sense of community, and preserving our small-town heritage for all”

### **The Meaning of a Budget**

Annually, local government leaders are charged with approving and adopting a budget. This process is typically time-consuming yet thought provoking. The budget is important because it involves a lot of consideration for the next fiscal year, as well as the future. When done well, city budgets can help to keep everyone working harmoniously. Budgets are powerful tools for running an effective and efficient government.

As I see it, this budget document is intended to serve four main purposes:

- 1) To define public policy set forth by the City Council and as seen in their goals.
- 2) To serve as a guide for management to aid in the control of financial resources.
- 3) To outline the City's financial resource allocation plan for the fiscal year, illustrating projected revenues and appropriations that are to be funded.
- 4) To serve as the City's fundamental communication document for the community members of Donald, who wish to understand how the City operates and provides its services and the methods and amounts used to finance those operations and services.

### **The 2021 Council & Planning Commission Goals**

The City Council's Mission Statement and City Goals helped to guide the creation of this proposed budget. Together, the Councilors and Planning Commissioners set the City's Goals. Throughout this budget, you will see activities planned that encompass these goals.

- ❖ Provide safe, clean, well-maintained and dependable infrastructure.
- ❖ Improve transparency by providing greater access to Council and Planning Commission proceedings and create opportunities for community engagement.
- ❖ Ensure security through the development of an Emergency Response Plan and community education about preparedness.
- ❖ Provide opportunities that promote personal health and wellness of the community.

- ❖ Foster a community that embraces resilient infrastructure, welcomes innovation and protects our resources.
- ❖ Provide a code enforcement program that protects and beautifies Donald.
- ❖ Develop a transportation network that connects all members of the community to destinations within and around the local area.
- ❖ Improve public safety.
- ❖ Provide adequate park and recreation activities that support current and future populations.
- ❖ Promote development that provides economic stability, supports local business and maintains our culture.
- ❖ Foster a community spirit of shared responsibility that is inclusive and inspires action through volunteerism.

### **Budget Basics**

This fiscal year the total of all funds combined is roughly \$4.2 million. Each of the City’s ten funds are discussed more thoroughly on their individual budget sheets in this document. Please note that each fund is separated because there are particular budget laws, statues and local codes that limit how expenditures are spent and revenues are collected. Since funds operate essentially as their own entity, this means that monies between funds cannot be comingled. In municipal budgeting, revenues are called *resources* and expenditures are called *requirements*. Municipal educational materials can be found on the State of Oregon Department of Revenue’s Local Budget Law website:

<https://www.oregon.gov/DOR/programs/property/Pages/local-budget.aspx>.

### **Discussion of Property Taxes in Relation to Donald’s Budget**

There are two types of property taxes that are collected to fund Donald’s budget. One is a *permanent* property tax that supplements the General Fund and the other is a *time-sensitive* tax to satisfy the outstanding bond. Citizens and City leaders occasionally ask why Donald has such a low property tax rate, and furthermore, why it can’t be changed.

In the 1990’s, Measures 5, 47 and 50 established a *permanent* tax rate on local governments and this is still in effect today. The *Oregonian* created a helpful short video to help explain Oregon’s property tax system history. It is only about three and half minutes and it can be found at:

<https://www.youtube.com/watch?v=gtaIhnmxnZU>.

Donald’s *permanent* property tax rate is \$0.8752 per \$1,000 of assessed value. The City’s estimated assessed value for 2021-2022 is \$116,306,257. This is a 1.83% increase over last year’s valuation of \$114,220,842. This is shown in the chart below, *Tax Rate Over Time*.

Typically, we use the Marion County average collection factor of 95% to help calculate the estimated taxes to be received; this means that it is estimated that 5% of property owners will not pay their property taxes this year. Last year, we estimated that 15% of property owners would not pay property taxes because of the unknowns due to the Covid-19 Pandemic. However, we did not see a decrease in property taxes. Again, the City is estimating its traditional 5% loss. Using the assessed valuation, the property tax rate, and subtracting the loss of 5% allows us to estimate receiving \$96,701.67 in property taxes for the General Fund.

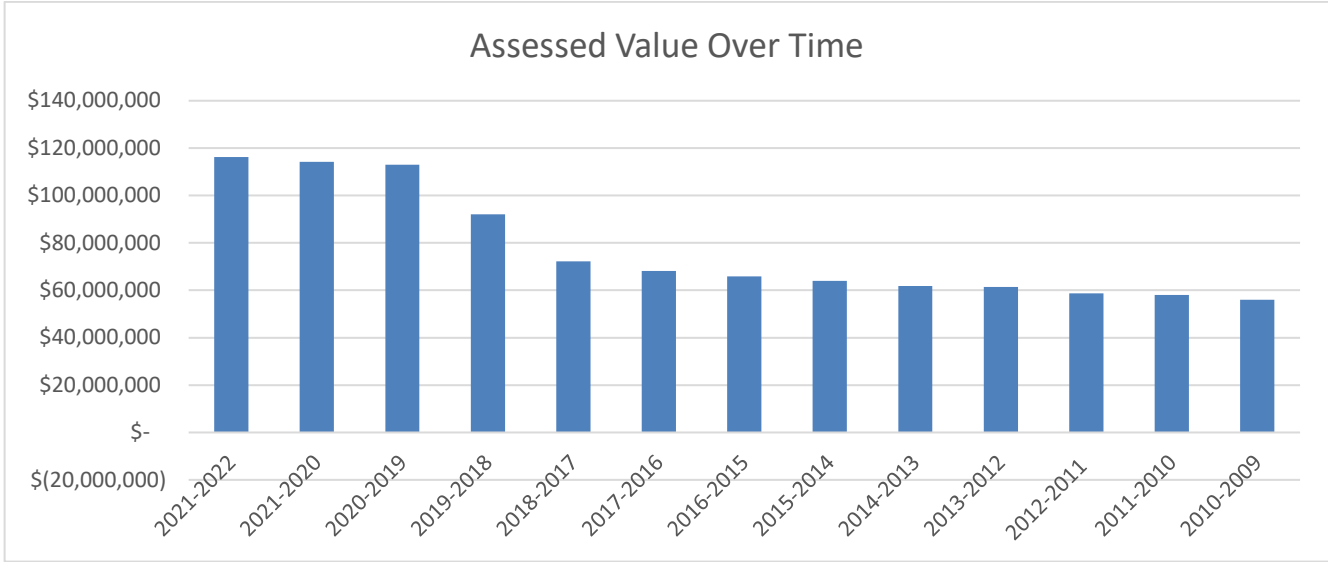

The other tax collected, which is also based on a property's assessed value, is to pay off the City's outstanding bond principal and interest payments. This money is accounted for in the Debt Service Fund. The bond's principal and interest amounts are fixed amounts and must be paid annually. The next principal payment will happen February 2022, and the interest will be paid August 2021. Knowing that property taxes are not collected until November, there must be enough money in the fund to pay the interest due in August from the previous year.

The chart below, *Tax Rate Over Time*, provides insight into how taxes have changed in Donald over the last decade. The "Total Tax Rate" equals the City's permanent rate of \$0.8752 plus the varying bond rate. The bond rate changes because the payoff and interest change for the bond year (for the debt service chart see the Debt Service Fund). Prior to 2012, the City had two outstanding bonds to repay loans for water and sewer infrastructure projects. This chart shows that there is an increase of 1.83% this year in the assessed value.

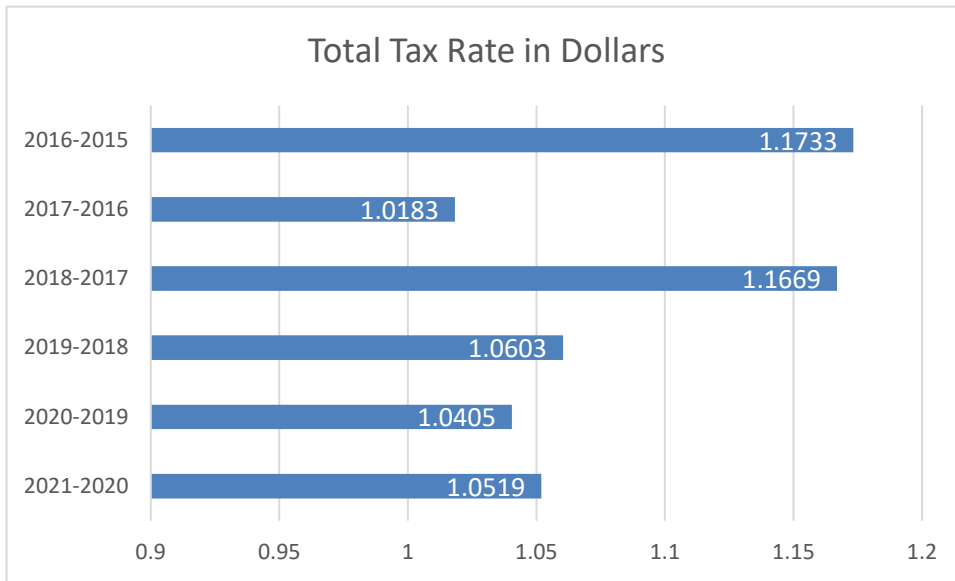

Tax Rate Over Time					
Year	Assessed Value	% Change/Time	Bond Rate	Total Tax Rate	% Change
2021-2022	\$ 116,306,257	1.83%	TBD	TBD	TBD
2021-2020	\$ 114,220,842	1.12%	0.1767	1.0519	1.10%
2020-2019	\$ 112,950,850	22.66%	0.1653	1.0405	-1.87%
2019-2018	\$ 92,082,013	27.53%	0.1851	1.0603	-9.14%
2018-2017	\$ 72,205,677	5.88%	0.2917	1.1669	14.59%
2017-2016	\$ 68,198,636	3.54%	0.1431	1.0183	-13.21%
2016-2015	\$ 65,867,593	2.97%	0.2981	1.1733	34.06%
2015-2014	\$ 63,964,957	3.45%	0	0.8752	-36.82%
2014-2013	\$ 61,831,298	0.59%	0.51	1.3852	5.59%
2013-2012	\$ 61,471,319	4.66%	0.4431	1.31183	-40.71%
2012-2011	\$ 58,735,336	1.25%	1.3372	2.2124	-0.75%
2011-2010	\$ 58,011,595	3.69%	1.3539	2.2291	-2.19%
2010-2009	\$ 55,947,994		1.4038	2.279	

Below is a chart giving information about how the City’s assessed value has changed over time. There are several reasons that it is up ticking. The City has added to its value several large industrial buildings and their capital equipment. The other reason is that homes are worth more in the last few years. These factors add to the City’s worth (assessed value).

The chart below shows how the total tax rate in Donald has not changed much in the last six years. It has ranged from a high of a \$1.17 to a low of \$1.04, for every \$1,000 of a property’s value. This is a six-year average of \$1.08.

The chart, *2020 Marion County Composite Tax Rate by Incorporated City* reports that when all taxing district rates are calculated together, Donald tax payers pay \$12.2415 for every \$1,000 of a property’s assessed value. Other taxing districts include Marion County, Aurora Fire District and their local option tax, North Marion School District and their local bond, Chemeketa Community College, Marion County 4-H Extension Service and a few others.

2020 Marion County Composite Tax Rate by Incorporated City

City	Tax Code Area	Composite Rate
WOODBURN	10303030	19.8843
WOODBURN	10303035	19.8343
SALEM	92401000	19.6600
GERVAIS	00110030	19.2500
MT ANGEL	09115150	17.7265
MILL CITY	12914140	17.2004
SILVERTON	00402028	16.8301
KEIZER	92420220	16.5824
AURORA	01506065	16.4049
IDANHA	12912120	16.2799
AUMSVILLE	00505050	15.6610
TURNER	00519190	15.5466
HUBBARD	01511110	15.3815
STAYTON	02904040	15.0584
DETROIT	12907120	14.9291
JEFFERSON	81413130	14.6366
GATES	12909090	14.0202
SAINT PAUL	04516160	13.8397
SCOTTS MILLS	00417028	13.2928
SUBLIMITY	02918180	12.6430
DONALD	01508060	12.2415

The City of Donald is the lowest rate in Marion County. Although this graph only shows 2020, Donald has been the lowest since 2014.

Using the 2020 Donald tax rate, a property that has an assessed property value of \$300,000 paid about \$316 for the year toward the City’s General Fund. The General Fund uses the tax dollars it receives to pay for administration, planning and building services, parks, policing and community and economic development. As the City grows and receives more General Fund revenues, because the assessed value goes up because the new properties are paying into the system. As this happens, I hope to see that more services are offered to the public.

### Quick Note on Enterprise Zones:

The City is in a joint Enterprise Zone with the cities of Hubbard and Aurora, called the North Marion Enterprise Zone. The Enterprise Zone rules are set by the State. SEDCOR processes the applications for the City of Donald and serves as the Zone Manager. An Enterprise Zone provides an exemption to some types of industrial businesses from paying local property taxes on new investments (buildings or capital equipment) for three to five years. Upon expiration they start paying their taxes, which increases the amount of property taxes received by the City. The owner does not pay taxes for any of the taxing districts.

### Getting More Tax Revenue:

There are just a few ways to increase the City's taxing rate; since property taxes are based on assessed values. (Remember, the tax rate is *permanent*). These are the ways a City could increase the amount of taxes it collects:

- Through the passing of a bond.
  - These are voted on by property owners.
  - They are for a specific purpose.
  - For a limited duration of time. (After expiration the taxpayers are usually asked to renew the bond by another vote.)
  - Overall, this makes it an unstable rate raising mechanism.
- Expiration of the City's Enterprise Zone, and the industrial-based business rejoins the tax rolls.
- Ending of the Enterprise Zone program (meaning no longer offered by the City).
- Adding properties, homes or businesses to the City's tax roll. The tax rate will still be \$0.8752 for every \$1,000 of it the structure and/or property's worth.
  - Soon a large lot will be developed at the Donald Industrial Park, which could add tax revenue, unless they take advantage of the Enterprise Zone. Another large developable Employment Industrial lot is on south Matthieu Street but it is also subject to the Enterprise Zone, and no pending land use file. All of these developments will increase the City's assessed value, but if they use the Enterprise Zone, they will not pay taxes for a few years.
  - The addition of the first 29 homes of Harvest Gardens is in the works and if added by November could also increase the City's tax collection.

### Arriving at the Budget Numbers: Estimations, Assumptions and Plans:

Being fiscally conservative is critical to making Donald's budget work. Especially surrounding the lasting effects that the coronavirus will have on the world's economy, as we see expenses for some products rise due to scarcity.

#### *Price Quotes for Projects*

Annually, as the staff prepares the budget, they get price quotes for projects so that the estimates for supplies, services and materials are practical. All revenues that the City receives are estimated conservatively, which helps to reduce expenditures, narrow in priorities, plan for future repair and maintenance expenditures, and build savings for the future. Staff also estimates the beginning balances of funds conservatively.

#### *Taking Care of Assets*

The City of Donald proudly provides the most fundamental services for human survival including clean water and waste removal, as well as, safe parks and streets which are critical to urban living. But these systems continue to age and we all need to make sure there is money set aside to pay for their maintenance. In the last few years, the City staff and Council have prioritized maintaining the existing infrastructure and repairing it when needed instead of replacing it later. I am happy to report that over the last several years there have been fewer emergency repairs or unpredicted expenses.

### **Using Professional Studies**

#### *2021 Water and Sewer Rate Study*

At their May 11, 2021 Meeting the Donald City Council adopted the professional water and sewer study that was prepared by Steve Donovan of Donovan Enterprises. The study provided a rate schedule with the appropriate levels of needed revenue until the year 2026. The recommended rates were used to build the water and sewer budget.

#### *2019 Street Condition Survey*

In 2019, the City completed an inventory of the City owned and maintained streets with a company based out of Salem called Capitol Asset and Pavement Services. The study gave the City a rating of 72% for all City streets in 2019 and is now at 68%. If nothing is done, we will continue to drop. It was estimated that when we reach a rating of 67% it will nearly double to do the same work as with the 72% rating. Sadly, we are almost there.

This independent street report suggested to apply for grants and start a monthly collection to fund streets, which would be added to the monthly utility bills. Just as a gauge, if this street fee was set at \$10 a month, from 400 accounts it would generate \$48,000 a year. Below are two scenarios detailing the City’s goal of a 70% street rating and an 80% street rating.

*70% Scenario:*

Total Spent on Rehabilitation is \$41,394 and Preventative Maintenance is \$41,996 with a Deferred Amount of \$432,319

	To Spent: Rehab	To Spent: Prev. Maint	Total for Budget	Amount Deferred
2021	\$ -	\$ 19,465	\$ 19,465	\$ 143,648
2022	\$ 4,054	\$ 7,925	\$ 11,979	\$ 140,241
2023	\$ 8,824	\$ 8,333	\$ 17,157	\$ 244,634
2024	\$ 14,703	\$ 6,048	\$ 20,751	\$ 238,090
2025	\$ 13,813	\$ 225	\$ 14,038	\$ 432,319
Total	\$ 41,394	\$ 41,996	\$ 83,390	

*80% Scenario:*

Total Spent on Rehabilitation is \$389,807 and Preventative Maintenance is \$44,395 with a Deferred Amount of \$2,745

	To Spent: Rehab	To Spent: Prev. Maint	Total for Budget	Amount Deferred
2021	\$ 45,083	\$ 43,733	\$ 88,816	\$ 74,306
2022	\$ 9,540	\$ -	\$ 9,540	\$ 71,258
2023	\$ 144,086	\$ -	\$ 144,086	\$ 46,649
2024	\$ 21,727	\$ -	\$ 21,727	\$ 33,187
2025	\$ 169,371	\$ 662	\$ 170,033	\$ 2,745

- To hit 80%, 2021 cost is \$88,816
- To hit 80%, 2021-2025 cost is \$434,202
- To hit 70%, 2021 cost is \$19,465
- To hit 70%, 2021-2025 cost is \$83,390

The Street Saver program tells us that if we want to get to an 80% rating, then this year the City would have \$88,816 in cost, and still defer \$74,306 to a later date. If a 70% is desirable a \$19,465 is needed to be spent with \$143,648 deferred.

This will be left to the determination of the Budget Committee and final approval of the City Council. Staff has not included a monthly street fee in this edition of the budget.

### Grant Work and Outside Funding:

**American Rescue Act Plan (ARAP):** Donald is estimating to receive two payments totaling \$216,100 from the federal government. However, the exact amount is not yet known. Since at the time of this budget, the guidelines are still being developed and the dates of payments are unknown, staff planned for both to be received during this fiscal year. We set up a Resource Line in the General Fund called the American Rescue Act (01-0-516) and an Expense Line (01-6-810)

this will help increase transparency in how this money is spent. The Council is learning the rules and collecting ideas about how to spend this money. Some of the ideas for infrastructure spending are assisting with the cost of the new well or repairing the storm line on Williams Street.

### **Marion County Community**

#### **Prosperity Initiative:**

The City Council will discuss the options for spending the rest of this money.

Marion County generously awarded

each of its small cities grant money to spend for the purpose of economic development. The City of Donald has a total of \$45,000 that has come in over three years. The last \$15,000 is available July 1, 2021. To date, money was spent on improvements to the Community Center, a changing table in the Donald Hometown Park Restroom and other community projects. The expenses are budgeted for in the General Fund's Community Development Department.

**Infrastructure Grant:** The City was chosen as Governor Kate Brown's top award for the Workforce Housing Pilot Project. The City has \$195,000 that it is using to design a new well and lagoon to handle the growth for the Harvest Gardens Housing Project. This grant money will help offset the costs to builders, which in turn will reduce the price of the new homes. This program is highly monitored by two State departments: Community Housing Authority and Business Oregon. Governor Brown has hopes that this program's success can be replicated in the future to other jurisdictions that need workforce housing. This money is budgeted in both the Water and Sewer System Development Funds since it can be used for either system's engineering.

**DLCD Planning Assistance Grant:** This \$1,000 is from the Department Land Conservation Department for small cities to use for planning assistance.

**Matthieu Street Road Improvements:** The City has two open ODOT Small Cities Grants for work on the south side of Matthieu Street. Currently, the City is in contract negotiation for Phase 1 and it is unknown if the project will be complete before June 30, 2021. For this reason, the

budget contains the payment and the grant reimbursement for Phase 1. Later in the year, Phase 2 of Matthieu Street will happen. Phase 2 is estimated to cost \$180,000 plus engineering costs. The Street Fund is estimating to pay for the remaining costs. The City received two \$100,000 ODOT Small Cities Grant for the work on Matthieu Street, and both are included in the Street Fund.

**AARP Community Challenge:** The City applied to AARP’s Community Challenge Grant for \$200,385 for ADA playground surfacing for the Donald Hometown Park, three benches to be placed by the City’s walking maps and a permeant restroom at the Skate Park. There is no communication at this point from AARP to understand the likelihood of being awarded the grant but since we applied, it was included in the General Fund, in the Park’s Department.

### What Are the Big Fixed Costs?

**Labor:** As with any public or private company’s budget, the City’s biggest expenses is labor. The City has six full-time employees (no part-time and no seasonal jobs). Each of the employees’ salaries, benefits, employer taxes and employer-related expenses are divided between funds (General, Street, Water and Sewer). The budget follows the adopted salary schedule.

**Liability, Workers’ Compensation, and Property Insurance:** The City (like most cities and counties in Oregon) is insured for liability, auto physical damage, workers’ compensation, volunteers and property insurances through City-County Insurance Services (CIS). All cities and counties that participate in CIS are treated as one entity; meaning we are in a pool for insurance. At their annual conference, CIS releases the “not to exceed” values for the next fiscal year and we use these numbers to develop the budget. Each of these costs are split over the City’s funds. CIS is disbanding their self-insurance program for worker’s compensation insurance and instead they will manage all cities/counties under SAIF. Below are the increases that are suggested and are included in this budget.

- Auto Insurance: + 10%
- Property Insurance: +13%
- General Liability: +13%

### **2021's Big Projects:**

On each Fund's page, you will see information about various projects that are budgeted to be completed during the fiscal year. However, here are a few projects for your attention that require a lot of labor and/or money.

**A New Water Source:** It is presumed that Well #3 will be engineered, sited, drilled, permitted and come on-line for serving our customers this year. The City's customers will foot 50% of the cost at \$375,000. The other half is funded by developers. This was a planned expense in the City's Water Fund, and included in the Water Rate Study for the following fiscal year. However, there is a drive to get this done this fiscal year. If the City wants to do this early, then they will need to

fund it with money from the American Rescue Act Plan, by taking out a loan, or with a bond. We have set up the Water Fund to contribute \$221,617 this year, so that the money is available if opportunity arises.

**Policing:** The General Fund is budgeting \$51,500, which maintains the same level of policing as the previous year. The PGE Privilege Tax is estimated to bring in \$15,170 next year. This means the General Fund revenues will need to pitch in \$36,330. Providing this level of service continues to be difficult to maintain, and means that other departments like Parks or Community Development are underfunded. In the near future, a different more cost-effective approach will need to be evaluated for providing policing services. There is also \$11,000 included for solar speed signs, but this could also be used for police costs if the Council decides.

**Security Camera and System Upgrades:** City Hall, Parks, Streets, Water and Sewer will all chip in for a security camera and system upgrade. This is an area that it is important to keep current.

**American Rescue Plan Act:** I am curious how the City Council will choose to spend the ARPA money. This is a lot of money that can make a big difference in our small town.

### **Final Thoughts**

At the time of writing this budget, we are still living in a Pandemic effected world. City Hall continues to serve people through a walk-up window, Public Works are social distancing, the Community Center is closed to visitors, and we are holding City meetings using Webex. However, we have gained back our parks being reopened and the City's collections are not doomed as we had predicted one year ago.

Because of our conservative approach to budgeting, Donald can weather this just as we did the last recession. Even in times of heightened economic growth, we have followed the model of

never taking on more than we can provide for, repair instead of replace, planning years in advance for expenses and saving money.

I do recommend that the Council continue to evaluate the Quarterly Budget Status Report that staff sends to the Council to track expenditures and revenues, seeing if any changes are needed to the budget. State budget laws allow for over-collection in revenues, but does not permit over-expenditures. Over the last year, we have learned that the future is unknown, so planning a precise budget is difficult, but it is a good tool to drive us forward to achieve our goals.

Lastly, as always, it is my wholehearted recommendation that the Council and staff continue to working together. It takes a full commitment from staff, Councilors, Budget Committee Members and City leaders to educate yourself and then the public about our City's revenues sources, low tax rate, costs and projects.

In the essence of cooperation and communication there will be a large task of figuring out how to spend the ARPA money and the CPI money. Although it seems like a lot of money, there is a lot of need and infrastructure is expensive. Prioritization and focusing on the community as a whole should be at the forefront of these discussions. The Council should start to educate themselves on the allowed expenditures (that we know so far) and think about what is needed in the community. This is very unusual to have this money with the flexibility; it is a great opportunity for our small city and I am excited to be a part of this community building.

Thank you for taking your time to review this message. Please let me know if you have any questions or comments; I am always happy to be of service.

Respectfully Submitted By:  
Heidi Bell,  
City Manager

# General Fund

---

The General Fund provides funding for several programs including administration, planning and building, parks, community development and public safety. The principal sources of revenues are property taxes, franchise fees and the City's share of State revenues.

## Revenue Highlights

Property Taxes: Donald's permanent property tax rate is \$0.8752 per \$1,000 of a property's assessed value which is one of the lowest permanent rates in Marion County. The estimated assessed value of the City of Donald for Fiscal Year 2021-2022 is \$180,176,676. It is anticipated that roughly 5% percent of the property taxes will go uncollected. It is estimated that \$96,700 will be collected in property taxes.

Donations: It is critical that the Donald Community Center (DCC) collects donations for its operations, which are received under the Donations line and monitored by City Staff. Although the DCC is free to rent, donations are requested from the renters. The deposit is \$1/person for private events or \$31 if the event is open to the general public. This year estimates are reduced since the DCC is currently closed but we are hopeful that it will reopen sometime in the year.

Planning and Building Fees: As always, it is difficult to estimate the amount of development applications the City will receive in a year. Application and service fees for developers are collected at City Hall, a portion is kept for administrative costs and then the remaining amount is sent to the contracted agency (City Attorney, City Planner and City Engineer). The City is estimating \$100,000 in these fees since we are expecting several large-scale projects in the fiscal year and the amount that is passed-through to other agencies is very difficult to budget. The incoming money is tracked in 01-0-503 and the expenses are tracked in 01-2-751.

State Revenue: Cities receive payments from five different shared revenue programs through the State, most are based on population. Four of them contribute to the funding of the General Fund, the other is gas tax and is collected in the Street Fund. For details on the how these are calculated please reference the League of Oregon Cities *State Shared Revenue Report* on their website\*.

The number used for Donald's population for December 2020 was certified at 995. Although, PSU could, in June 2021, actually certify the population at 1,150. We budgeted a conservative approach using a slightly lower amount for each of the State Revenue shares.

Below is the chart that the City uses to base the estimates for these shares. We do not get a portion of 911 Tax Revenues.

### Per Capita State Shared Revenues for Cities

Per capita distributions for revenue sources are calculated based on [certified population statistics](#) from Portland State University's Center for Population Research (PSUCPR). Population estimates compiled each July are typically certified on December 15, and thereafter begin to govern the distributions.

	Highway Trust Fund Revenues (Gas Tax)	Liquor Revenues (20% of Total Share)	Marijuana Tax Revenues (75% of City's Share)	Cigarette Tax Revenues	<del>9-1-1 Tax Revenues</del>
2018-19 Actuals	\$71.15	\$16.58	\$2.74	\$1.15	<del>\$5.05</del>
2019-20 Actuals	\$69.21	\$17.66	\$3.46	\$1.10	<del>\$6.09</del>
2020-21 Estimates	\$68.61	\$19.25	\$3.06	\$0.93	<del>\$7.21</del>
2021-22 Estimates	\$75.84	\$18.51	\$1.27	\$0.76	<del>\$9.12</del>
2022-23 Estimates	\$76.32	\$19.27	\$1.26	\$0.73	<del>\$9.15</del>

**Note on Marijuana Tax:** At the November 2016 Election, Donald voters confirmed that marijuana business sales would be allowed in the City limits. The State imposes a 17% tax on recreational marijuana products. The City of Donald has a city tax of an extra three percent but there is no local marijuana business to impose the tax on. The State distributes 10% of the total tax amount to cities. The distribution formula for splitting the ten percent of the tax is below. Donald is included in the 75% calculation; since we don't currently have a licensee.

*Marijuana Tax Calculation:*

75% of the 10% share will be distributed per capita (based on population of eligible cities). 25% of the 10% share will be distributed based on licensure numbers in the city compared to the total licenses in all eligible cities for the quarter.

\* League of Oregon State Share Revenue Reports:

<http://www.orcities.org/Publications/Library/tabid/6518/language/en-US/Default.aspx>

**PGE "Privilege" Tax:** In 2016, the City Council approved the collection of an additional 1.5% on Donald customer's PGE electric bills. The Council set this program up to only fund for police services. Last year the City estimated to receive \$13,980 and we expect a slight uptick so it is budgeted at \$15,170.

**Administration Fees:** This line tracks fees that are collected for administration services like lien searches, NSF charges and local business's OLCC fees.

Permits and Fees: This line tracks the 30% administration fee that the City receives when developers submit a planning and/or building application. The additional fee helps to offset City staff hours and materials for processing these applications. This is not a predictable revenue stream since it relies on the number of planning or building applications received in a year.

General Fund Grants:

**AARP Community Challenge:** The City applied to AARP's Community Challenge Grant for \$200,385 for ADA playground surfacing for the Donald Hometown Park, three benches to be placed by the City's walking maps and a permeant restroom at the Skate Park. There is no communication at this point from AARP to understand the likelihood of being awarded the grant but since we applied, it was included in the General Fund, in the Park's Department.

**DLCD Planning Assistance Grant:** This \$1,000 is from the Department Land Conservation Department for small cities to use for planning assistance.

**Community Prosperity Initiative (CPI):** The Council will make a decision on how to spend the remaining CPI money that was given to the City for the purposes of economic development from Marion County. The County gave each small city in \$15,000 over the course of three years for a local economic development project. \$38,820 is budgeted.

Transfers In: The Water and Sewer Fund each reimburse the General Fund to pay for their portions of costs associated with operating out of City Hall. This is reflected on the Transfer Schedule. Also, System Development Charge Funds allow for a transfer to the General Fund of the previous year's fees received to cover administrative costs. The Transfer Sheet provides the details.

State Revenue Share: City councils can elect to receive a portion of the State Shared Revenue. It is estimated that it will be \$8,250 for this coming year. These funds are budgeted to pay for the activities that are listed in the Community Development Department, see table below.

American Recue Plan: This year we added lines in the resources and requirements to track the anticipated federal stimulus money of \$216,100. Half should become available to the City to use in June 2021, and the other half in June 2022.

### **Expense Highlights**

Materials and Supplies: City Hall employees will have the option of having a standing desk at their work stations.

Outside Services: Security cameras and a system update for City Hall and parks.

Legal: This year there will be a rehaul of the City's Business Code and the City Attorney will be involved in this project.

He will also complete an analysis of the City's Charter for possible vote by the Donald voters.

Municipal Court: The City will hold municipal court for code enforcement, when needed.

Repair and Maintenance: A storm line is damaged on north Williams Street and it is causing flooding in the area. The General Fund has to pay for this since the City does not have a revenue source for stormwater. Other cities collect a monthly stormwater utility fee to help with these costs. This project is estimated at \$4,500 and Marion County Public Works is going to provide some help of labor and equipment since the issue also effects Main Street, which falls under their jurisdiction.

Public Safety: Outside Services: The City will find an outside agency to provide police coverage. There is \$51,500 budgeted for this expense. This amount represents keeping the same level of coverage as the year prior, but increasing the amount for inflation. The PGE Privilege Tax helps to pay for the policing costs but does not cover the full amount of policing. The General Fund contributed money can also be used for other general public safety activities, like traffic calming projects, but it results in less policing.

Public Safety: Outside Services: There is \$11,000 budgeted for the purchase of solar speed signs for coming into the City, but could be used for policing services if the Council decides.

Parks: Community Center: The Donald Community Center continues to be closed, yet there are still operation costs. Some of its costs were traditionally offset by donations received for the year. The costs are set at \$2,500 for the year.

Parks: Repair and Maintenance: There is \$400 to replace the door and frame on the Donald Hometown Park's shed.

Community Development Department: The holiday decorations are in need of repair and purchasing some new ones, there is \$4,000 included for this work.

Contingency: This amount is appropriated in the budget in case there are unforeseen operating expenditures that might occur during the year.

Unappropriated: This amount will be used as a cash carryover to the next year's budget until tax money is received from the county treasurer in November.

### General Fund Expense Highlights

Line #	Name of Line	Activity	Cost
01-1-705	Materials & Supplies	Standing Desks	\$500
01-1-710	Outside Services	City Hall Security Cameras and System	\$4,000
01-1-755	Repair & Maintenance	Storm Line Repair: Williams Street	\$4,500
01-4-710	Police/Outside Services	Annual Police Services	\$51,500
01-4-710	Police/Outside Services	Solar Speed Signs	\$11,000
01-5-710	Park/Outside Services	Park Security Cameras and System	\$500
01-5-755	Park/Repair & Maintenance	Replace Park Shed Door and Frame	\$400

### Community Development Department Expenses: 01-6-800

Estimated State Share \$8,250	Cost
Community Prosperity Initiative \$39,000	
Oregon Mayor Association Membership Dues and Conferences	\$100
Meetings & Travel Expenses: Mayor, Councilors & Planning Commissioners	\$190
Donald Hazelnut Festival Donation	\$500
Street Flower Baskets/Flowers at City Hall	\$700
Council Discretionary	\$200
Mayor's Quarterly Business Leaders Meetings Expenses	\$50
City Wide Clean-Up Day	\$2,200
City Events: Meet and Greet, Santa's Sing-a-Long	\$150
Holiday Lighting Competition	\$100
Holiday Décor and Garland Repairs	\$3,000
Donald Beautification Group	\$500
Mayor Annual Cell Phone Bill	\$560
<b>Subtotal: Community Development Department: State Share</b>	<b>\$8,250</b>
Marion County Community Initiative for Economic Development	\$39,000
<b>Grand Total</b>	<b>\$47,250</b>

# Street Fund

The State Highway Tax Apportionment is the sole funding for the Street Fund. This money is collected through gasoline sales tax and DMV fees by the State and then divvied up amongst governments in Oregon depending on population size. The Street Fund budgets for repair, maintenance, transportation operation and lighting of the City’s streets and roadways. (City streets do not include Butteville RD or Main ST.)

## Revenue Highlights

Highway funds can only be expended as per the regulations stated in Oregon Constitution Article IX, Section 3a. The State is estimating for cities to receive \$75.84 per person for the coming year. We have budgeted to receive \$75,460 for the year. There are some property owners on Main Street that owe the City for their payment plan for the sidewalk project, we are budgeted to receive their annual payments. This is down from last year because some have paid their balance.

## Expense Highlights

The Blake Court Improvement Project will (finally) be able to get done, which also effects the Water Fund because of the water line that will be replaced. The largest expense in the Street Fund is for the Matthieu Street improvements. There are two \$100,000, ODOT Small Cities grants that will fund these improvements, in two phases. The second phase is more expensive and requires the City to contribute an extra \$100,000 to the project. Tools are split between the parks, streets, water and sewer.

Line #	Name of Line	Activity	Cost
02-1-705	Materials & Supplies	Tools	\$150

# Debt Service Fund

---

A Debt Service Fund is established to account for the payment of general long-term debt principal and interest. The City of Donald has one outstanding general obligation bond that was issued for \$375,000 on March 8, 2005 to finance improvements to the City’s water storage capacity, drinking water system and sewer system upgrades. This bond matures on December 7, 2025. The principal and interest for the bond are paid by property owners and collected by Marion County’s Tax Assessor’s Office. This tax is collected in addition to the permanent property taxes. Debt service funds are regulated by OAR 150-294.352(1) and ORS 287A.

The outstanding principal balance as of June 30, 2021 will be \$114,294.06. This year the principal payment is \$15,000 and the interest payment is \$4,064.73. The total to meet the bond obligations is \$19,064.73. However, because some property owners don’t pay taxes and the City still needs to meet its payments, \$20,092 will be called to pay off these obligations.

In December 2015, the City switched banking institutions, from Wells Fargo to U.S. Bank and at this time the bond was also moved to U.S. Bank. This reduced the interest rate from 5.25% to 3.29%. Overtime, the calculated savings of interest will be about \$24,120.

*Below is a simplified bond repayment schedule.*

<b>Year</b>	<b>Payment</b>	<b>Interest Due</b>	<b>Total</b>
'21-22	15,000	4,064.73	19,064.73
'22-23	20,000	3,564.38	23,564.38

# Water Fund

The Water Fund collects fees for the operation and maintenance of the water treatment and distribution processes. The Water Fund is an enterprise fund meaning it is self-supported through the collection of water bills.

## Revenue Highlights

The Water Fund's principal revenue source is the collection of the monthly water bills. There are approximately 402 accounts comprised of both residential and commercial users. The Fund is also supplemented by customer fees such as late fees, door hanging fees, and new account fees. An updated rate study was completed by Donovan Enterprises Incorporated indicated that a 6% increase in the water rates this year is needed to keep pace with the costs and repairs associated with providing the water service. Then, in the following four years, a 3% increase is needed. These increases are in lieu of an annual inflation rate adjustment. Note: The revenue line *New Installations* is offset by the expense line *Installations* because developers pay for the water parts and labor for new construction. This inflates the Fund by \$75,000, which is up this year because of anticipated growth.

## Future Reserve Fee Schedule

In 2014 the Budget Committee voted to collect an extra \$3 a month to save money for future maintenance projects to the water system. The Donovan Rate Study recommended keeping the future reserve fee. The total is preserved in the *Reserved for Future Expenditures* (07-1-811) line. This is zeroed out this year, in anticipation of using \$105,009 for Well #3.

FY	Future Reserve Fee
'21-22	\$14,400 <i>Proposed</i>
'20-21	\$14,100 <i>Anticipated</i>
'19-20	\$14,056 <i>Actual</i>
'18-19	\$14,206 <i>Actual</i>
'17-18	\$14,507 <i>Actual</i>
'16-17	\$14,147 <i>Actual</i>
'15-16	\$13,981 <i>Actual</i>
'14-15	\$5,612 <i>Actual</i>
<b>Total</b>	<b>\$0: Spending \$105,009</b>

## Expense Highlights

Although, moving forward with Well #3 is a priority of the City Council, the Water Fund is short coming up with the full \$375,000 for the current customer's share; the other half will come from developers. Infrastructure costs can be funded with the American Rescue Plan Act but it will be up to the City Council to decide if they want to use ARPA money for the well. The Water Fund can contribute \$221,617, short \$153,383. This year the Blake Court Water Main Line Project will occur. The City also has to pay for an insurance deductible for an employment claim from years 2020-2021. In addition, the Water Fund will chip in toward the security camera and system update, tools and postage paid envelopes for utility billing. Testing the drinking water for volatile organic compounds (VOC), synthetic organic compounds (SOC), lead and copper is a required test that will happen this year.

Line #	Name of Line	Activity	Cost
07-1-705	<i>Materials &amp; Supplies</i>	Tools	\$600

# Sewer Fund

The Sewer Fund collects fees for the operation and maintenance of the sewer collection and treatment processes. The Sewer Fund is an enterprise fund meaning it is self-supported through the collection of sewer bills.

## Revenue Highlights

The Sewer Fund’s principal revenue source is the collection of monthly sewer bills. There are approximately 401 sewer accounts comprised of both residential and commercial users. The Fund is also supplemented by late fees, door hanging fees, and a fee for setting up new accounts. Revenue also comes from two land leases and a contract to provide the Fargo District with raw sewer treatment services. An updated five-year rate study by Donovan Enterprises Incorporated was adopted May 11, 2021. It indicated that there is no need to increase rate this year, but for the following four years, a 3% increase is needed to keep up with inflation. These increases are in lieu of an annual inflation rate adjustment. Note: The revenue line *New Installations* is offset by the expense line *Installations* because developers pay for the septic tank, parts and labor for new buildings. This inflates the Fund by \$155,000.

## Future Reserve Fee Schedule

In 2014, the Budget Committee voted to collect a Future Reserve Fee, it was originally \$2 a month and in 2021, was increased to \$3 a month. It is collected as a savings plan for the sewer system. The Donovan rate study recommended keeping the future reserve fee at \$3. The total is preserved in the *Reserved for Future Expenditures* (08-1-811) line of the Fund.

FY	Future Reserve Fee
'21-22	\$14,400 <i>Proposed</i>
'20-21	\$12,800 <i>Anticipated</i>
'19-20	\$13,050 <i>Actual</i>
'18-19	\$11,630 <i>Actual</i>
'17-18	\$10,441 <i>Actual</i>
'16-17	\$9,360 <i>Actual</i>
'15-16	\$9,301 <i>Actual</i>
'14-15	\$3,735 <i>Actual</i>
<b>Total</b>	<b>\$84,348</b>

## Expense Highlights

Septic tanks are pumped annually; this year is Zone 5 of 5. The Sewer Fund is splitting the cost for paying the deductible for an employment claim, tools, postage paid envelopes, and security upgrades. Two big permits are required for update this year: the water pollution control facility permit and the recycled water use plan revision. The Sewer SDC will pay for half of the Recycled Water Use Plan Revision. Large projects include installing an air relief valve which involves excavation and the valve. Also, a transfer line will be installed between the Fargo Lagoon and City Lagoon.

Line #	Name of Line	Activity	Cost
08-1-705	<i>Materials &amp; Supplies</i>	Tools	\$600

# System Development Funds

---

Oregon Revised Statute 223.307 is the main law regarding the collection and expenditure of these funds. On May 10, 2016 the City Council approved Resolution No. 403-16, which approved three new system development funds and updated the water and sewer SDCs.

SDCs are collected when new developments are added to the City and these funds are collected to pay for the additional needed capacity of the City's infrastructure systems to accommodate the new growth. Money is expended according to each SDC's capital improvement plan. Annually, the City Council considers adjusting the amounts of the SDCs based on the *Engineering News of Record Construction Cost Index*. This year the increase was 2%; this change was adopted at the April 21, 2021 City Council meeting by Resolution No. 521-21.

## Revenue Highlights

Grants: The City was awarded the top grant from Governor Kate Brown's new pilot project for Workforce Housing Initiative Grant. There is a \$195,000 grant from Oregon Housing and Community Services Department to be used for engineering, design or construction costs. The grant is setup to allow for the money to be used for either (or both) water and sewer needs; this is reflected in the System Development Charge Funds for Water and Sewer.

## Expense Highlights

The Workforce Housing Initiative Grant money will be spent during this budget cycle.

Sewer SDC: \$5,000 for the Recycle Water Use Plan Revision is a part of the new irrigation land application process. The Sewer Fund/current customers will find the other half at \$5,000.

Transfers: Each SDC fund is allowed to transfer 5% to the City's General Fund to offset the costs associated with accounting and administration.

**NOTICE OF BUDGET HEARING**

A public meeting of the Donald City Council will be held on June 8, 2021 at 6:45pm via WebEx due to Coronavirus social distancing requirements; the Council Agenda will provide video and phone conference information for public attendance. The purpose of this meeting is to discuss the budget for the fiscal year beginning July 1, 2021 as approved by the City of Donald Budget Committee. A summary of the budget is presented below. A copy of the budget may be inspected or obtained at Donald City Hall, weekdays by appointment, or online at [www.donaldoregon.gov](http://www.donaldoregon.gov). This budget is for an annual budget period. This budget was prepared on a basis of accounting that is the same as the preceding year.

## **Budget Committee Meeting Action Agenda Summary Tuesday, May 18, 2021 at 6:00 pm Donald Sewer Treatment Plant \* 10501 Donald Road NE**

**Open Meeting and Welcome:** Manager Bell opened the Meeting and Mayor Rick Olmsted gave the Budget Committee welcoming at 6:03 pm on Tuesday, May 18, 2021. The meeting was held at the Donald Wastewater Treatment Plant, 10501 Donald Road NE.

### **Roll Call**

*City Council Present:* Mayor Olmsted, Council President Katie Gonzalez, Councilors: Gerry Waller, Lauren Ostrander, Jan Olsen and Alysha Irvin.

*City Council Absent:* Troy Hellickson (unexcused)

*Budget Committee Present:* Daroll Nicholson, Dawn Saxton, Wendy Schreck, and Toshia Weese. There were three unfilled seats on the Budget Committee.

*Staff Present:* City Manager Heidi Bell, Accountant Lisa Hassel and Public Works Director Alonso Limones.

*No Members of the Public were present.*

### **Self-Introductions of Members**

#### **Election of a Budget Committee Chairperson**

- ✓ Committee Member Nicholson motioned and Council Olsen seconded to nominate Council President Gonzalez to serve as the Budget Committee Chair. Councilor Gonzalez accepted the nomination. There were no other nominations. Vote: 10-0-0. Motion carried.

#### **Adoption of the Budget Committee Operating Rules of Order:**

The Budget Committee reviewed the revised rules regarding rules for keeping in compliance with COVID-19 restrictions and best practices for public meetings. Councilor Gonzalez read the rules.

- ✓ Mayor Olmsted motioned and Councilor Olsen seconded to accept the Budget Committee Operating Rules of Order as presented. No discussion. Vote: 10-0-0. Motion carried.

### **Public Hearings:**

#### **I. Fiscal Year 2021-2022 State Revenue Sharing Funds**

Chair Gonzalez read the script and opened the public hearing at 6:24pm. There were no objections to the publication. There were no objections for this body to hear and consider this matter. There were no conflicts and/or biases declared. There was no oral or written testimony submitted. No comments from the Budget Committee. Chair Gonzalez closed the public hearing at 6:25pm.

## **II. Fiscal Year 2021-2022 Proposed Budget**

Chair Gonzalez read the script and opened the public hearing at 6:27pm. There were no objections to the publication. There were no objections for this body to hear and consider this matter. There were no conflicts and/or biases declared. No written testimony received. No comments from the Budget Committee. Chair Gonzalez closed the public hearing at 6:28pm.

### **Committee Business Items:**

#### **I. Budget Message Presentation by City Manager Heidi Bell**

- ✓ Committee Member D. Nicholson motioned and Council Member Saxton seconded to forgo the reading of the budget message since everyone read it prior to the Budget Committee meeting. No discussion. Vote: 10-0-0. Motion carried.

#### **II. Annual Review of Fees: from Resolution No. 516-21**

##### **a. Street Maintenance Fee:**

Manager Bell referred to the included reports about the condition of the City's streets. The streets are more rapidly deteriorating than initially anticipated. The Budget Committee and Manager Bell engaged in discussion about the options for street repair/maintenance costs and why everyone foots the bill instead of just the property owners on the street.

##### **b. Police Maintenance Fee**

Manager Bell and the Budget Committee discussed past, present and future options for policing in Donald. Mayor Olmsted provided estimates about the costs for Marion CO Sheriff's Office full-time deputy in Donald, at \$200,000+ a year. The Budget Committee would like to see a more stable police presence in Donald. Manager Bell is to look into the process of getting a bond levy for police. The Budget Committee would like to see one to two police in Donald.

##### **c. Storm Water Fee**

Manager Bell and PW Director Limones discussed what storm water is and the importance of providing a system for it. Currently the City has no revenue source to pay for storm water regular maintenance. The General Fund will foot the bill for a storm water project on north Williams Street because there is no collection for maintenance of the storm system. In the future, a Storm Water Master Plan should be paid for with Storm Water System Development Charges but this updated Plan will be to pay for storm infrastructure that is related to handle future growth, not for the already aging system.

- ✓ Mayor Olmsted motioned and Councilor Ostrander seconded to approve a \$3 per month, per customer Street Maintenance Utility Fee and a \$1 per month, per customer Storm Water Maintenance Utility Fe. No discussion. Vote: 10-0-0. Motion carried.

#### **III. Information on The American Rescue Plan**

Mayor Olmsted and Accountant Hassel discussed the American Rescue Plan status in congress and what types of expenses could be used to fund it. Nothing is approved yet and if the time comes the City Council will make choices about how to spend the money. The Budget Committee suggested the money be used on the new well. The Budget contains a revenue and expense line in it so that the City can easily track this money.

#### **IV. Committee Discussion on Proposed Budget**

Manager Bell reviewed each page of the proposed fiscal year 2020-2021 budget that was

hand-delivered to all members of the Budget Committee on Friday, May 15, 2020 and posted on the City's website. The Budget Committee discussed the revenue sources and expenditure changes and highlights that were budgeted for in the next year. Grants were also discussed.

**V. Community Member General Budget Comments (3 minutes per speaker)**

- a. **In-person speakers:** None
- b. **Written comments received (due from public by 5/18 by 2pm):** None received.

**Votes:**

**I. Fiscal Year 2021-2022 State Revenue Sharing Funds**

- ✓ Mayor Olmsted motioned and Councilor Irvin seconded that the Donald Budget Committee elect to receive State Revenue Share Funds. No discussion. Vote: \*14-10-0-0. Motion carried

**II. Fiscal Year 2021-2022 Proposed Budget**

- ✓ Councilor Irvin motioned and Mayor Olmsted seconded that the Donald Budget Committee approve the Budget for the 2020-2021 Fiscal Year in the amount of \$4,094,807. No discussion. Vote: \*14-10-0-0. Motion carried.

**III. Imposing and Categorizing Taxes**

- a. **Property Taxes for the 2021-2022 fiscal year at the rate of \$0.8752/\$1,000 of assessed value for the permanent rate tax levy; and \$20,092 for the General Obligation Bond Levy**

- ✓ Mayor Olmsted motioned and Councilor Olsen seconded that the Donald Budget Committee approve property taxes for the 2021-2022 Fiscal Year at the rate of \$0.8752/\$1000 of assessed value for the permanent rate tax levy and in the amount of \$20,092 for the General Obligation Bond Levy. No discussion. Vote: 10-0-0. Motion carried.

Mayor Olmsted and Committee Chair Gonzalez thanked the volunteers and staff for their time and dedication to making Donald a great place.

**Adjourn**

- ✓ Budget Committee Member Saxton motioned and Budget Committee Member Nicholson seconded to adjourn the Budget Committee meeting at 9:10 pm. No discussion. Vote: \*14-10-0-0. Motion carried.

Respectfully submitted by:

Heidi Bell  
City Manager, Budget Officer

\*with strickthrough, indicates changes made to the A.A.S. prior to approval.

## **RESOLUTION No. 529-21**

### **A RESOLUTION CERTIFYING THAT THE CITY OF DONALD PROVIDES FOUR OR MORE MUNICIPAL SERVICES IN ORDER TO BE ELIGIBLE TO RECEIVE STATE SHARED REVENUES FOR FISCAL YEAR 2021-2022**

**WHEREAS**, ORS 221.760 provides as follows:

**Section 1.** The officer responsible for disbursing funds to cities under ORS 323.455, 366.785 to 366.820 and 471.805 shall, in the case of a city located within a county having more than 100,000 inhabitants according to the most recent federal decennial census, disburse such funds only if the city provides four or more of the following services:

- (1) Police protection
- (2) Fire protection
- (3) Street construction, maintenance, and lighting
- (4) Sanitary sewer
- (5) Storm sewers
- (6) Planning, zoning, and subdivision control
- (7) One or more utility services

And

**WHEREAS**, City officials recognize the desirability of assisting the state officer responsible for determining the eligibility of cities to receive such funds in accordance with ORS 221.760

#### **NOW, THEREFORE, THE CITY OF DONALD RESOLVES AS FOLLOWS:**

That the City of Donald hereby certifies that it provides the following four or more municipal services enumerated in Section 1, ORS 221.760:

- (1) Water service
- (2) Police protection
- (3) Street construction, maintenance, and lighting
- (4) Sanitary sewer
- (5) Storm sewers
- (6) Planning, zoning and subdivision control

**PASSED and ADOPTED** by the City Council of the City of Donald at their regular meeting on this 8<sup>th</sup> day of June 2021 by the vote of 7 ayes and 0 nays.

**DATE:** June 8, 2021

  
\_\_\_\_\_  
Rick Olmsted, Mayor

**ATTEST** by the City Manager this 8<sup>th</sup> day of June, 2021.

  
\_\_\_\_\_  
Heidi Bell, City Manager

## RESOLUTION No. 530-21

### A RESOLUTION DECLARING THE CITY OF DONALD'S ELECTION TO RECEIVE STATE REVENUES.

**WHEREAS**, Pursuant to ORS 221.770, the City hereby elects to receive state revenues for fiscal year 2021-2022; and

**WHEREAS**, two public hearings were held to give citizens the opportunity to comment on the use of State Revenue Sharing; one meeting by the Donald Budget Committee was held on May 18, 2021 and the other on June 8, 2021 by the Donald City Council.

### **NOW, THEREFORE, THE CITY OF DONALD RESOLVES AS FOLLOWS:**

Section 1. Pursuant to ORS 221.770, the City of Donald hereby elects to receive state revenues for fiscal year 2021-2022.

**PASSED and ADOPTED** by the City Council of the City of Donald at their regular meeting on this 8<sup>th</sup> day of June 2021 by the vote of 7 ayes and 0 nays.

**DATE:** June 8, 2021

  
Rick Olmsted, Mayor

**ATTEST** by City Manager this 8<sup>th</sup> day of June, 2021.

  
Heidi Bell, City Manager

I certify that a public hearing before the Budget Committee was held on May 18<sup>th</sup>, 2021 and a public hearing before the City Council was held on June 8<sup>th</sup>, 2021, giving citizens opportunity to comment on the use of State Revenue Sharing.

  
Heidi Bell, City Manager

## Resolution No. 531-21

### RESOLUTION ADOPTING THE BUDGET
