### NEW DONALD UTILITY RATES

#### **New Street & Stormwater Maintenance Fees**

In 2021, the Donald Budget Committee recommended the City Council impose a monthly Street and Stormwater fee in order to help fund needed repairs, maintenance and inflationary cost associated with providing safe and reliable infrastructure for the City. In August 2022, a Public Hearing was held to provide an opportunity for public testimony on the proposed Street and Stormwater Ordinances. At the subsequent September 2022 Council meeting, Council held a second reading and voted to adopt both Ordinances. The adoption of these Ordinances created two new chapters of the Donald Municipal Code and the associated Resolutions established the fee amounts listed below:

- \$3.00 monthly Street Maintenance Fee
- \$1.00 monthly Stormwater Maintenance Fee

These fees will be added to your monthly Utility Bill beginning with the bill due December 15, 2022.
