2025 COMMUNITY MEMBER OF THE YEAR: KRISTA FOGELSON

At the April City Council meeting, the Council honored Krista Fogelson as the 2025 Community Member of the Year in recognition of her many years of service to the Donald community. Krista has lived in Donald for 11 years. She and her husband, Ben, have five children, ranging in age from 6 to 15, whom she homeschools. Wanting to serve alongside her children, she began by organizing a children's story time at the former community center. When that ended during COVID-19, she joined the Donald Beautification Group, which later became the Donald Festival Committee and has helped organize the Donald Daze Festival for the past three years.

Krista stays busy with her family—especially driving her children to pursue their activities and interests, homeschooling and participating in church activities. She has enjoyed seeing the impact of her volunteer work and has made many friends through the people she's met along the way. She encourages others to get involved and serve, noting that it has been a very positive experience for her.

CELEBRATING NATIONAL PUBLIC WORKS WEEK: MAY 17-23

Each year, communities across the country recognize National Public Works Week as a time to celebrate the dedicated professionals who keep our cities running safely and efficiently.

We are proud to recognize the hard work and commitment of our public works team, whose efforts often happen behind the scenes but make a visible difference in our community every day. From maintaining streets, water and sewer systems, and storm drainage infrastructure to ensuring reliable utility services, public works employees play a vital role in the quality of life we enjoy. Public works professionals respond in all kinds of conditions rain or shine, day or night to maintain the critical infrastructure and services residents depend on. Their work supports public health and safety, environmental stewardship, and the economic strength of our city. We would like to encourage residents to take a moment to thank the individuals who help keep Donald running every day.
