LAND USE FEE SCHEDULE ACKNOWLEDGMENT

Resolution No. 515-20 requires a fee for land use applications. The City of Donald staff will collect the non-refundable fee at the time of application.

This fee will cover the actual costs of technical services including but not limited to planning, engineering, legal, surveying, and other related services. Administrative overhead shall be billed at 30% of the City's actual costs for technical services. In the event the actual costs of these services exceed the application fee, the applicant shall make payment of this deficiency within fifteen (15) days of notification by the City Manager. The City shall discontinue processing the application until the deficiency is paid.

Hourly rate for Land Use Services: zoning confirmations, interpretations of development code criteria, land use compatibility statements, or other services/assistance related to the development ordinance not listed above, shall be the responsibility of the interested party/applicant. Services requiring in excess of fifteen (15) minutes of staff time shall require the payment of a Technical Review Fee.

The following are types of charges and amounts per hour. ***The Contracted Service provider fees are subject to change and may include their hired staff time.***

City Planner	\$133.00
City Engineer	\$185.71
City Attorney	\$275.00

I have read the above information and understand that the actual costs for service may exceed the Land Use Application Fee.
